

SAFEGUARDING

We are committed to creating a safe and supportive environment for all students, staff, volunteers, and visitors.

Safety First – Everyone has the right to learn and work free from harm, bullying, harassment, abuse, or neglect.

Protection for All – We take action to protect children, young people, and vulnerable adults from harm both inside and outside College.

Working Together – By respecting each other and raising concerns, we can build a safe and positive community.

**Safeguarding
is everyone's
responsibility**

If you have any specific issues you would like to discuss in confidence before starting college, please contact Student Services or email:
