

FINANCIAL SUPPORT

If you're aged 16-18 then your course will be free to study.

16-18 Travel Support Bursary – All full time 16/18-year-old learners will be issued with an electronic West Midlands Travel bus pass for term 1 to help with the transition to college. Continuing travel support for terms 2 and 3 is confirmed once a 16/18 bursary application is submitted with household income evidence. Continued travel support will be issued regardless of household income.

Free College Meals – Free meals at college are slightly different to free meals at school as there is an eligibility criteria linked to household income. This can mean learners may not be eligible for a free meal at college even if they received a free meal at school.
